THE EVOLUTION OF OILHEAT

Bioheat[®] is Independent.

It's a Match Made to Last!

Home of the Freedom Trail, Massachusetts understands the importance of freedom of choice. With Bioheat® fuel, you're free to choose from many different Bioheat® fuel dealers who offer a variety of services. Homeowners love Bioheat® fuel because of the level of independence it offers.

- * Bioheat® fuel is produced and blended domestically, reducing our reliance on foreign fuels and bringing our country closer to energy independence.
- * You achieve personal energy independence with your very own fuel storage tank, so your Bioheat® is always there when you need it.
- * Many full-service heating oil dealers deliver Bioheat® fuel across the state and many more will follow. Talk with your heating oil retailer today about Bioheat® fuel.
