THE EVOLUTION OF OILHEAT

**Bioheat® is Full-Service.**

# It's a Match Made to Last!

Homeowners throughout Massachusetts love the unsurpassed care they receive from full-service Bioheat® fuel retailers. Not only are these independent companies located in or close to the communities they serve, but they also provide much more than fuel delivery.

- \* Bioheat® fuel dealers also provide 24/7 emergency service, budget plans, maintenance agreements and other value-added services.\*
- \* Full-service Bioheat® dealers are licensed to perform annual commercial boiler inspections and residential burner maintenance.
- \* The biodiesel industry currently supports 64,000 jobs across the US, and many are the highest paying energy industry jobs available.

*\*Not all dealers offer all services, ask your fuel dealer for more information on the services they provide.*
